2- week Summer ESL Intensive and Washington DC Excursions!

Session I: July 16-30 Session II: July 30- August 13

One of New Hope Academy's greatest strengths is the fact that because they are a smaller school, they are able to individualize the educational program in order to better meet the unique nature, goals, and needs of each student. This is especially true at their high school: New Hope International High School. They are a small private school with an international emphasis reflected in their vision and curricula, faculty from various countries and cultures, as well as more than one-fifth of their students being international students. We are located in metropolitan Washington, D.C.

Program Details:

Each session will accept 10-14 students in grades 6-10.

Two experienced and trained ESL teachers will be available for each session so students will get the personal contact they need. Classes held Mon-Fri from 9:00 to 4:00 in an air-conditioned on-campus classroom. This is a high-quality English Intensive course.

(Classes will be taught by Ms. Beverly Berndt, celebrating her 21st year at New Hope!)

Host families will provide a bagged lunch, breakfast and dinner. The school will provide morning and afternoon snacks during class.

Most afternoons students will have an excursion to one of the following Washington DC sights!

Smithsonian Museum, National Aquarium, Chesapeake Bay, Catocin Mountains, Atlantic Ocean, Air & Space Museum, Washington Zoo, **United States Capitol, National Monuments, and more!**

American middle and high school students will join the excursions as group leaders providing students with peer interaction and to build friendships.

Program includes homestay with a quality family within the school community. Evenings and weekends will be spent with host families doing additional activities!

Each student will receive two free New Hope tee-shirts as souvenirs of their trip!

TOTAL Cost ONLY \$2,000

*Does not include insurance

*Includes transportation and entrance fees to all activities!

Application deadline is March 1st. Please hurry! Spots fill up quickly!

A non-refundable deposit of \$250 must accompany the application. Final payment due June 1.
